Chapter 11: Acknowledgements

Many individuals at LGL Limited and SEIC contributed ideas and advice during the development of this document, especially W. John Richardson, Denis Thomson, and Sergei Yazvenko (LGL Limited) and Peter Scheren, Rémy Geneste, and Thorsten Geyer (SEIC). Robin Tamasi (LGL Limited) provided some of the graphics, and Zoe Maxwell and Mark Irvine (ERM-UK) provided helpful comments on draft versions.

We would also like to acknowledge the principal researchers involved in western gray whale monitoring. Much of the background information on western gray whales presented in this document is based on work conducted by marine mammal scientists at Texas A & M University (TAMU, Galveston, TX, USA), the Kamchatka Institute of Ecology and Nature Management (KIENM, Petropavlovsk-Kamchatskii, Russia), the Pacific Research Institute for Fisheries and Oceanography (TINRO-Centre, Vladivostok, Russia), and the Institute of Marine Biology (IBM) and the Pacific Oceanological Institute (POI), both of the Far East Branch of the Russian Academy of Sciences (Vladivostok, Russia).
