Re.: Personnel Travel

Dear Sir/Madam,

Further to our letter 2020-OUT-Y-22-00414 dated 21 April 2020, Sakhalin Energy Investment Company Ltd. ("Company") would like to inform you about the following change in the contractor personnel travel.

On 23 June 2020, Company's General Coordinating Committee approved using Moscow airports for transfers. However the personnel is still not recommended to go outside of the airport before departure, and if the flight is delayed/cancelled it is recommended to use hotels located in the airport.

Please take this change into account when planning the travel of your personnel.

Best Regards,

Roman Sinitskiy
Deputy Finance Director – Supply Chain Manager
